

## HOSPITALITY SERVICE FOR PETS

### Regulation

- 1) Access to the Dog Friendly area is allowed for dogs of any size or breed if properly identified and in compliance with vaccinations (passport, health card or model 12); in the absence of such documentation, the owner self-certifies the condition of the dog and indemnifies the structure from any eventuality.
- 2) Each dog must be led to the Dog Friendly area by its owner only on a leash, at least 1.5 meters long.
- 3) It is mandatory to collect the solid droppings of your dogs in any area of the garden, even more markedly in the Dog Friendly area. They must be removed and deposited in the appropriate waste container. Liquid faeces are only allowed in proximity to the Dog Friendly area and must be rinsed with plenty of water. Violators will be immediately fined according to current regulations
- 4) The management declines all responsibility for any aggressive behavior of the animals
- 5) It is mandatory to make diligent use of shelter equipment and not to damage it.
- 6) Any damage caused to the equipment and to third parties will be adequately compensated by whoever caused it
