

GIARDINI BOTANICI HANBURY
Fioriture del mese di **Settembre**

| Genere-Specie | Var./Cultivar/Subsp. | Famiglia |
|-----------------------------|---|-----------------|
| Acacia karroo | | Mimosaceae |
| Acacia seyal | | Mimosaceae |
| Agave striata | <i>subsp. stricta</i> (Salm-Dyck) B.Ullrich | Agavaceae |
| Albizia amara | | Mimosaceae |
| Allocasuarina verticillata | | Casuarinaceae |
| Amaryllis belladonna | | Amaryllidaceae |
| Anisacanthus virgularis | | Campanulaceae |
| Asclepias angustifolia | | Asclepiadaceae |
| Asclepias cancellata | | Asclepiadaceae |
| Bauhinia aculeata | <i>subsp. grandiflora</i> (Juss.) Wunderlin | Caesalpinaceae |
| Bougainvillea glabra | | Nyctaginaceae |
| Bougainvillea spectabilis | | Nyctaginaceae |
| Bouvardia ternifolia | | Rubiaceae |
| Brachychiton discolor | | Sterculiaceae |
| Brugmansia suaveolens | 'Guatemala' | Solanaceae |
| Brugmansia suaveolens | | Solanaceae |
| Brugmansia versicolor | | Solanaceae |
| Brugmansia x candida | 'Angel Exotic' | Solanaceae |
| Brugmansia x candida | f. plena | Solanaceae |
| Brugmansia x candida | 'Langenbuscher Garten' | Solanaceae |
| Caesalpinia gilliesi | | Caesalpinaceae |
| Casuarina glauca | | Casuarinaceae |
| Centranthus ruber | <i>subsp. ruber</i> | Valerianaceae |
| Ceratostigma plumbaginoides | | Plumbaginaceae |
| Cortaderia selloana | 'Pumila' | Poaceae |
| Cortaderia selloana | | Poaceae |
| Cortaderia selloana | 'Aureolineata' | Poaceae |
| Cortaderia selloana | 'Rendatleri' | Poaceae |
| Cortaderia selloana | 'Sunningdale Silver' | Poaceae |
| Crithmum maritimum | | Apiaceae |
| Cupressus arizonica | <i>subsp. arizonica</i> | Cupressaceae |
| Dasyliirion glaucophyllum | | Dracaenaceae |
| Dipladenia splendens | | Apocynaceae |
| Erythrina humeana | | Fabaceae |
| Eucalyptus leucoxydon | | Myrtaceae |
| Felicia muricata | | Asteraceae |
| Gasteria obtusa | | Aloaceae |
| Gaura lindheimeri | | Onagraceae |
| Haemanthus coccineus | | Haemanthaceae |
| Hedychium coccineum | <i>var. aurantiacum</i> (Wall. ex Roscoe) Roxb. | Zingiberaceae |
| Hedychium gardenianum | | Zingiberaceae |

Fioriture del mese di **Settembre**

| Genere-Specie | Var./Cultivar/Subsp. | Famiglia |
|------------------------------|---|------------------|
| Heliotropium amplexicaule | | Boraginaceae |
| Heliotropium arborescens | 'Albiflorus' | Boraginaceae |
| Heliotropium arborescens | | Boraginaceae |
| Hibiscus rosa-sinensis | | Malvaceae |
| Hibiscus trionum | | Malvaceae |
| Homalocladium platycladum | | Polygonaceae |
| lochroma grandiflorum | | Solanaceae |
| Ipomea indica | | Convolvulaceae |
| Jacobinia suberecta | | Acanthaceae |
| Jasminum tortuosum | | Oleaceae |
| Justicia adhatodoides | | Acanthaceae |
| Justicia brandegeana | | Acanthaceae |
| Koelreuteria bipinnata | var. integrifoliola (Merr.) T.C.Chen | Sapindaceae |
| Lagerstroemia indica | 'Rosea' | Lytraceae |
| Lampranthus zeyherii | | Aizoaceae |
| Lantana camara | | Verbenaceae |
| Lantana camara-hybrida | | Verbenaceae |
| Lavandula multifida | | Lamiaceae |
| Leonotis leonurus | | Lamiaceae |
| Leucophyllum frutescens | | Scrophulariaceae |
| Mammillaria parkinsonii | | Cactaceae |
| Mimosa spegazzini | | Mimosaceae |
| Nerium oleander | subsp. oleander | Apocynaceae |
| Odontonema strictum | | Acanthaceae |
| Pandorea jasminoides | 'Alba' | Bignoniaceae |
| Pandorea jasminoides | | Bignoniaceae |
| Passiflora | 'Byron Beauty' | Passifloraceae |
| Pavonia hastata | | Malvaceae |
| Pelargonium | 'Paton's unique' | Geraniaceae |
| Pelargonium x blandfordianum | | Geraniaceae |
| Plumbago auriculata | | Plumbaginaceae |
| Podranea ricasoliana | | Bignoniaceae |
| Rosa | 'Gloria di Roma' | Rosaceae |
| Rosa | 'Bloomfield Abundance' | Rosaceae |
| Rosa | 'Comtesse de Caserta' | Rosaceae |
| Rosa | 'Hermosa' | Rosaceae |
| Rosa | 'Reve d'Or' | Rosaceae |
| Rosa chinensis | 'Old blush' | Rosaceae |
| Russelia equisetiformis | | Scrophulariaceae |
| Salvia blepharophylla | | Lamiaceae |
| Salvia buchananii | | Lamiaceae |
